

Welcome to the Spring 2018 Season!

About the teams:

The Iron Lions Jr is a full contact, developmental division which emphasizes player safety first and foremost. Rules are modified in the Junior and Youth divisions to better ensure player safety such as: unlimited substitutions and timeouts and the ability to make mid-game rule changes. The Iron Lions Jr is a perfect transition for any new player to rugby and players transitioning from flag rugby to full contact.

Iron Lions Jr hosts both a youth division (U13) and a junior division (U15). For differences between the two divisions, please see the chart below.
